

Verizeal Unveils Revolutionary Shipping Solutions Platform at Manifest Conference 2024

Las Vegas, NV – February 5, 2024 – Verizeal, a pioneering force in global shipping and transportation management, is set to unveil its groundbreaking shipping solutions platform at this year's Manifest Conference, taking place from February 5th to 7th, 2024, at Caesars Forum in Las Vegas.

Manifest Vegas, known as the global destination for supply chain and logistics innovation, provides the perfect backdrop for the launch of Verizeal's latest offering. The new platform promises to redefine the standards of efficiency, productivity, security, and scalability in transportation management.

Innovative Features for Modern Logistics Challenges

Verizeal's new platform integrates advanced technologies such as AI, blockchain, and real-time analytics to offer unparalleled capabilities in shipping logistics. Key features include automated workflows, optimized route planning, and enhanced shipment tracking, all designed to streamline the end-to-end shipping process and increase productivity.

A Leap Forward in Shipping and Compliance

The Verizeal platform also addresses the critical need for compliance in the global trade environment. Verizeal simplifies compliance and hazardous materials (hazmat) shipping management by automating the necessary documentation for customs and hazmat regulatory requirements. This automation not only streamlines the process but also significantly reduces the risk of errors and non-compliance penalties. This innovative approach ensures that businesses can focus on their core operations, confident in their compliance and safety standards.

Empowering Businesses with Scalable Solutions

"Verizeal is committed to empowering businesses with scalable and simplified shipping solutions," said Srini Vasani, CEO of Verizeal. "Our presence at Manifest Vegas marks a significant milestone in our journey. We are excited to demonstrate how our platform can transform the logistics operations of businesses across various industries."

Visit Verizeal at Booth #1417

Attendees of the Manifest Conference are invited to visit Verizeal at Booth #1417 to experience the new platform firsthand. The Verizeal team will be available for demonstrations, discussions, and to answer any questions about how their solutions can benefit businesses looking to optimize their shipping operations.
